● REGISTRATION/CONFIRMATION

**PRE-PAYMENT IS NECESSARY
TO CONFIRM REGISTRATION
(see calendar for deadline dates)**

To Register For Classes

If you have previously enrolled in an undergraduate or graduate Mansfield University course, just complete the course registration form and return it to the Records Office in South Hall.

If you are taking an undergraduate course at MU for the first time, complete the course registration form *and* the application form. Return them to the Center for Lifelong Learning, Doane Center 209.

If you are taking a graduate course at MU for the first time, complete the course registration form *and* the application form. Return them to the Graduate Studies Office, 509 North Hall.

You can calculate the cost for summer enrollment by completing the billing form at the back of the catalog. By meeting the registration deadline, you will receive an invoice. Then, to keep your name on the class roster, we must receive payment by the due date on the summer calendar.

The minimum amount required to confirm your registration is your total charge, LESS financial aid, DIVIDED by two, PLUS any beginning balance. Payment of the minimum amount due will allow you to defer the remaining balance as indicated on the summer school calendar. Selection of this option will automatically incur a deferred payment fee of \$25.

All checks should be made payable to Mansfield University. Please include your social security number on all checks.

Third party payment approvals, indicating the amount they will pay, are used as credit against your account. All other fees not paid by the third party are subject to the confirmation policy listed above.

Note: If you have an outstanding balance, we cannot register you for summer courses until the account has been satisfied with the Revenue Office. If you're not certain about your account balance, or have any payment problems, please contact the Revenue Office at 717-662-4888 before trying to register.

If your class registration is canceled because we have not received payment by the deadline, you can still register and enroll in a course. In this case, you MUST MAKE PAYMENT FIRST, THEN RESCHEDULE your courses by using ADD cards prior to the "last day to ADD classes" for that session. You can pick up Add cards in the Records Office.

Important Notes

- Admission to a summer session does not imply admission for the academic year.
- Each summer session offering is contingent upon adequate enrollment in the judgement of university administration.
- To drop any course(s) **before** classes begin, and to avoid being charged for the course(s), please submit a completed course "drop" form to the Records Office in South Hall before the start of the appropriate Summer Session. *Failure to attend class(es) does not constitute withdrawal from registered course work.*

Late Registration

You may register for courses after the registration deadline under two conditions:

- there must be space available in the course;
- you must make payment with your registration.

The Records Office (South Hall), the Campus Bookstore (Manser Hall), and the CCSI Office (also in Manser; this is where you get your student identification card) are open Monday through Friday during normal office hours, and also will be open the following dates and times for late registration.

● FINANCIAL AID INFORMATION

To apply for financial aid for summer courses for 1997, you must have completed the Free Application for Federal Aid (FAFSA) booklet.

If you're applying for financial aid for the enrollment period beginning **prior to July 1**, (Summer Session I-A & I-B), you must use the 1996/97 FAFSA form.

If you're applying for financial aid beginning on or after July 1 (Session II), you must use the 1997/98 FAFSA form.

If you're applying for a loan under the Federal Family Education Loan Program, you should apply about eight weeks before the beginning of the appropriate summer session. By doing this, you should receive monies before the session. For returning students, a limited number of work study positions are available. Our Financial Aid Office must receive the summer work study application **no later than May 1**.

If you're a Pennsylvania resident, you may also be eligible to receive a PHEAA grant for summer courses if you're enrolled for 12 credits during the summer. If you're a part-time student, you may be eligible for a part-time state grant as long as you meet the eligibility criteria.

Bachelor's degree candidates may only receive a PHEAA grant for eight semesters, and if one semester is used during the summer, it may impact your PHEAA aid during your senior year. Part-time grant recipients will be prorated over a longer period of time in determining their maximum award. For further information and assistance, contact the Director of Financial Planning in 104 Alumni Hall, 717-662-4878.

● GENERAL INFORMATION

Graduate Students

There are many reasons to take graduate courses — personal fulfillment, professional enrichment, or to complete a master's degree.

If you're enrolling for MU courses for the first time, please do the following:

- supply an undergraduate transcript;
- pay the \$25 initial application fee;
- indicate whether you are degree seeking or non-degree seeking.

We encourage you to make a decision early so we can assign you an appropriate advisor. However, you must declare your degree or non-degree seeking status before you've taken 12 credits of graduate work.

If your goal is to earn a master's degree, please contact the graduate office for complete information regarding application requirements for your particular degree.

Add/Drop Policy

All add/drops should be processed through the Records Office where forms are available. Please see the calendar in front of the bulletin for exact dates. If a course is properly dropped during the drop period, the course and its corresponding credit hours are removed from your record, and charges are adjusted accordingly.

Withdrawal From A Course

Don't confuse this procedure with the Add/Drop procedure above. Dropping a course during the drop period at the beginning of a session removes the course and its credit hours from your record. You may withdraw from a course until the dates indicated on the Summer School calendar for the appropriate session and receive a "W" designation on the transcript. Pick up *Withdrawal From A Course* forms from the Records Office in South Hall. You and your instructor must sign it, then return the completed form to the Records Office.

There is no refund of fees for withdrawal from a course.

Withdrawal from the University

If you are a degree-seeking student and want to withdraw from the university, you may do so by submitting a *Withdrawal From The University* form to the Provost's Office. This form is available in the Records Office.

University Bookstore

The University Bookstore in Manser Hall lobby is open Monday - Friday 8 a.m.- 4 p.m. (See additional hours under "Late Registration")

I.D. Cards

I.D. cards are \$5 and may be obtained from the CCSI Office in Manser Hall Lobby during regular hours of 8 a.m.- 4 p.m. or until 6 p.m. on May 20 & 21, June 10, and July 1 & 2. *You must have an MU ID card to check out library materials.*
